

(c) *Relationship to voluntary agreements.* Notwithstanding the royalty rates and terms established in this subpart, the rates and terms of any license agreements entered into by Copyright Owners and digital audio services shall apply in lieu of the rates and terms of this subpart to transmissions within the scope of such agreements.

§ 380.21 Definitions.

For purposes of this subpart, the following definitions shall apply:

ATH or Aggregate Tuning Hours means the total hours of programming that a Noncommercial Educational Webcaster has transmitted during the relevant period to all listeners within the United States over all channels and stations that provide audio programming consisting, in whole or in part, of Eligible Transmissions, including from any archived programs, less the actual running time of any sound recordings for which the Noncommercial Educational Webcaster has obtained direct licenses apart from 17 U.S.C. 114(d)(2) or which do not require a license under United States copyright law. By way of example, if a Noncommercial Educational Webcaster transmitted one hour of programming to 10 simultaneous listeners, the Noncommercial Educational Webcaster's Aggregate Tuning Hours would equal 10. If three minutes of that hour consisted of transmission of a directly licensed recording, the Noncommercial Educational Webcaster's Aggregate Tuning Hours would equal 9 hours and 30 minutes. As an additional example, if one listener listened to a Noncommercial Educational Webcaster for 10 hours (and none of the recordings transmitted during that time was directly licensed), the Noncommercial Educational Webcaster's Aggregate Tuning Hours would equal 10.

Collective is the collection and distribution organization that is designated by the Copyright Royalty Judges. For the 2011–2015 license period, the Collective is SoundExchange, Inc.

Copyright Owners are sound recording copyright owners who are entitled to royalty payments made under this subpart pursuant to the statutory licenses under 17 U.S.C. 112(e) and 114(f).

Eligible Transmission means an eligible nonsubscription transmission made by a Noncommercial Educational Webcaster over the Internet.

Ephemeral Recording is a phonorecord created for the purpose of facilitating an Eligible Transmission of a public performance of a sound recording under a statutory license in accordance with 17 U.S.C. 114(f), and subject to the limitations specified in 17 U.S.C. 112(e).

Noncommercial Educational Webcaster means Noncommercial Webcaster (as defined in 17 U.S.C. 114(f)(5)(E)(i)) that:

- (1) Has obtained a compulsory license under 17 U.S.C. 112(e) and 114 and the implementing regulations therefor to make Eligible Transmissions and related ephemeral recordings;
- (2) Complies with all applicable provisions of Sections 112(e) and 114 and applicable regulations;
- (3) Is directly operated by, or is affiliated with and officially sanctioned by, and the digital audio transmission operations of which are staffed substantially by students enrolled at, a domestically accredited primary or secondary school, college, university or other post-secondary degree-granting educational institution; and
- (4) Is not a “public broadcasting entity” (as defined in 17 U.S.C. 118(g)) qualified to receive funding from the Corporation for Public Broadcasting pursuant to the criteria set forth in 47 U.S.C. 396.

Performance is each instance in which any portion of a sound recording is publicly performed to a listener by means of a digital audio transmission (e.g., the delivery of any portion of a single track from a compact disc to one listener) but excluding the following:

- (1) A performance of a sound recording that does not require a license (e.g., a sound recording that is not copyrighted);
- (2) A performance of a sound recording for which the Noncommercial Educational Webcaster has previously obtained a license from the Copyright Owner of such sound recording; and
- (3) An incidental performance that both:
 - (i) Makes no more than incidental use of sound recordings, including, but

not limited to, brief musical transitions in and out of commercials or program segments, brief performances during news, talk and sports programming, brief background performances during disk jockey announcements, brief performances during commercials of sixty seconds or less in duration, or brief performances during sporting or other public events; and

(ii) Other than ambient music that is background at a public event, does not contain an entire sound recording and does not feature a particular sound recording of more than thirty seconds (as in the case of a sound recording used as a theme song).

Performers means the independent administrators identified in 17 U.S.C. 114(g)(2)(B) and (C) and the parties identified in 17 U.S.C. 114(g)(2)(D).

Qualified Auditor is a Certified Public Accountant.

§ 380.22 Royalty fees for the public performance of sound recordings and for ephemeral recordings.

(a) *Minimum fee.* Each Noncommercial Educational Webcaster shall pay an annual, nonrefundable minimum fee of \$500 (the “Minimum Fee”) for each of its individual channels, including each of its individual side channels, and each of its individual stations, through which (in each case) it makes Eligible Transmissions, for each calendar year it makes Eligible Transmissions subject to this subpart. For clarity, each individual stream (*e.g.*, HD radio side channels, different stations owned by a single licensee) will be treated separately and be subject to a separate minimum. In addition, a Noncommercial Educational Webcaster electing the reporting waiver described in § 380.23(g)(1), shall pay a \$100 annual fee (the “Proxy Fee”) to the Collective.

(b) *Additional usage fees.* If, in any month, a Noncommercial Educational Webcaster makes total transmissions in excess of 159,140 Aggregate Tuning Hours on any individual channel or station, the Noncommercial Educational Webcaster shall pay additional usage fees (“Usage Fees”) for the Eligible Transmissions it makes on that channel or station after exceeding 159,140 total ATH at the following per-performance rates:

- (1) 2011: \$0.0017;
- (2) 2012: \$0.0020;
- (3) 2013: \$0.0022;
- (4) 2014: \$0.0023;
- (5) 2015: \$0.0025.

(6) For a Noncommercial Educational Webcaster unable to calculate actual total performances and not required to report ATH or actual total performances under § 380.23(g)(3), the Noncommercial Educational Webcaster may pay its Usage Fees on an ATH basis, provided that the Noncommercial Educational Webcaster shall pay its Usage Fees at the per-performance rates provided in paragraphs (b)(1) through (5) of this section based on the assumption that the number of sound recordings performed is 12 per hour. The Collective may distribute royalties paid on the basis of ATH hereunder in accordance with its generally applicable methodology for distributing royalties paid on such basis. In addition, and for the avoidance of doubt, a Noncommercial Educational Webcaster offering more than one channel or station shall pay Usage Fees on a per-channel or -station basis.

(c) *Ephemeral royalty.* The royalty payable under 17 U.S.C. 112(e) for any ephemeral reproductions made by a Noncommercial Educational Webcaster and covered by this subpart is deemed to be included within the royalty payments set forth in paragraphs (a) and (b)(1) through (5) of this section and to equal the percentage of such royalty payments determined by the Copyright Royalty Judges for other webcasting in § 380.3.

§ 380.23 Terms for making payment of royalty fees and statements of account.

(a) *Payment to the Collective.* A Noncommercial Educational Webcaster shall make the royalty payments due under § 380.22 to the Collective.

(b) *Designation of the Collective.* (1) Until such time as a new designation is made, SoundExchange, Inc., is designated as the Collective to receive statements of account and royalty payments from Noncommercial Educational Webcasters due under § 380.22 and to distribute such royalty payments to each Copyright Owner and Performer, or their designated agents,
